

SOLID STATE DEVICES, INC.

Purchase Order Terms and Conditions

1. **DEFINITIONS.** As used in these Terms and Conditions: "Buyer" means Solid State Devices, Inc.; "Purchasing Representative" means Buyer's authorized representative whose name appears on the face of an Order; "Order" means this purchase order or any written order issued by Solid State Devices, Inc. which incorporates these terms and conditions; "Seller" means the person(s) or company to whom an Order is issued; "FAR" means the Federal Acquisition Regulations (Title 48 CFR Chapter 1) and "DFARS" means the Department of Defense FAR Supplement (Title 48 CFR Chapter 2) in effect on the date of this Order unless a revision date is specified.
2. **ACCEPTANCE AND AGREEMENT.** These terms and conditions apply to, and are agreed to be incorporated in, any Order issued by Buyer to Seller. An Order becomes a binding contract, including all terms and conditions that appear in the Order, in these Purchase Order Terms and Conditions, and in documents incorporated by reference, either upon acknowledgement in writing or commencement of performance. The Order, including these terms, supersedes all prior written or oral communications and is the sole and exclusive statement of the agreement between Buyer and Seller. It is not subject to variation, regardless of the wording of any purported acceptance by Seller, unless stated in a written agreement signed by Buyer's Purchasing Representative. Any additional or different terms appearing in Seller's acceptance are hereby expressly rejected.
3. **PACKING AND SHIPPING.** Seller shall pack, mark and ship all goods in accordance with specific requirements of an Order, and in a manner which complies with transportation regulations and good commercial practice for protection and shipment of goods. No separate or additional charge is payable by Buyer for containers or any other aspect of packing and shipping unless specifically stated in an Order. Seller shall mark the number of an Order on each container and include a packing slip with each shipment, listing Order and line item numbers.
4. **MARKING.** Buyer requires the ability to mark parts to reflect selection, screening and modification. Unmarked parts are preferred. Seller authorizes Buyer to remove factory markings and re-mark parts to suit Buyer's requirements.
5. **DELIVERY.** Unless otherwise stated on the face of an Order, delivery shall be to Buyer's facility (F.O.B Destination). Time is of the essence in the performance of an Order. Delivery shall be in strict accordance with the schedule and quantity specified in an Order. *Seller is on notice that delays in delivery may result in damages assessments including price reduction under Buyer's contract with its customers; Seller shall be liable for any such assessments or price reductions.* Seller shall not ship to arrive earlier than 15 days in advance of the specified schedule unless authorized in writing. Buyer may return goods at Seller's expense or payment may be deferred until the date payment would become due according to the specified schedule.

6. **NOTICE OF LATE DELIVERY.** If it appears Seller will not meet schedule or if Seller's deliveries fail to meet the schedule, then in addition to any other right or remedy that Buyer has under law or this Order, Buyer may require Seller to ship via expedited means at Seller's expense. If Seller's delay is due to causes beyond Seller's control and without Seller's fault or negligence, and if Seller has exercised due diligence by promptly notifying Buyer in writing of the conditions which will result in delay, then Seller shall not be liable for delay.
7. **INVOICES AND PAYMENT.** Upon Buyer's receipt of a proper invoice, Seller will be paid the price stated in an Order for supplies delivered and accepted, or services rendered and accepted, as provided by the Order. Cash discounts are determined by receipt date of supplies or services, or of a proper invoice, whichever is later. Payment is subject to setoff of any claim of Buyer against Seller, arising from this or any other transaction.
8. **INSPECTION AND ACCEPTANCE.** Seller shall maintain a quality control system consistent with good commercial practice, unless a specific system of quality control or other standard of quality is specified in an Order or document incorporated by reference. All materials, articles, work or services performed by Seller shall be made available for inspection or test at Seller's plant or that of Seller's subcontractor by authorized representatives of Buyer or Buyer's customer, or both. No inspection or test prior to final inspection and acceptance shall relieve Seller from responsibility for defects or other failure to meet the requirements of an Order. All materials, articles, work or services shall be subject to final inspection and acceptance by Buyer after delivery to destination, notwithstanding prior payment. Acceptance shall not be final with respect to latent defects, fraud, or such gross mistakes as amount to fraud, or as to Seller's warranty obligations.
9. **WARRANTY.** Seller warrants that all materials, articles, work and services furnished will be free from defects in material and workmanship, will conform to all applicable specifications, drawings, samples and descriptions, that if goods are of Seller's design or selection, they will be free from design defects and will be fit for their intended use. Seller warrants that all items or components supplied under an Order shall be new, that is, not used or reconditioned. All warranties and guarantees shall run to Buyer and Buyer's customers, for a period of 18 months after final acceptance by Buyer, or 12 months after the item in which Seller's goods are incorporated is accepted by Buyer's customer, whichever is later. Seller agrees to repair or replace at its cost any item which does not conform to this warranty, as Buyer directs. These warranties are in addition to any standard warranty or guarantee of Seller, and any warranty and related remedy otherwise created by operation of law.
10. **RIGHT TO USE AND INDEMNITY REGARDING INTELLECTUAL PROPERTY.** (1) Grant of Right to Use: Seller grants to Buyer the right to use any technical data provided by Seller to the extent necessary for Buyer's performance of Buyer's prime contract or higher-tier subcontract, including the right to provide Seller's technical data to Buyer's customer.
(2) Agreement to Indemnify: Seller agrees to indemnify and hold harmless Buyer and its

successors, assigns or customers from any expense (including attorney's fees and costs), or loss, damage or liability, on account of any infringement or claim of infringement of any United States or foreign patent, copyright or trademark, arising out of or resulting from the sale or use of the materials, articles or services supplied by Seller. Seller also agrees at its own expense to defend any actions, lawsuits or claims in which such infringement is alleged, provided that Seller has first been notified as to the existence of such action, lawsuit or claim.

11. **CHANGES.** This Order may not be changed except by written modification signed by Buyer's Purchasing Representative. Buyer may at any time by written notice and without notice to sureties, make changes in any one or more of the following: (i) drawings, designs, or specifications; (ii) method of packing or shipment; (iii) place of inspection, acceptance or point of delivery; (iv) delivery schedule. Should any such change cause an increase or decrease in the cost of or time required for performance of an Order, an equitable adjustment shall be negotiated and the Order shall be modified accordingly. If no agreement is reached, the equitable adjustment due shall be resolved pursuant to the "Disputes" clause below. Any claim by Seller for such adjustment shall be submitted to Buyer in writing within 15 days of Buyer's written notice of such change. If not submitted within 15 days, the claim is waived. Seller must proceed without delay in performing the Order as changed, even if a "Dispute" is pending and not resolved.

12. **TERMINATION/CANCELLATION/STOP WORK.**

a. **Termination For Convenience.** The performance of work under an Order may be terminated in whole or in part by Buyer for Buyer's convenience, at any time and without regard to whether Buyer's contract with its customer may have been terminated. The rights, duties and obligations of the parties including compensation to be paid to Seller shall be in accordance with FAR Subparts 49.1 and 49.2 as if Buyer was in the position of the Government, Buyer's Purchasing Representative was the Termination Contracting Officer, and Seller was in the position of Contractor, as those terms are used in those FAR subparts.

b. **Termination For Default.** Buyer may, by written notice to Seller, terminate this Order in whole or in part for Default if Seller fails to (i) deliver supplies or perform services within the time specified, (ii) make progress so as to endanger performance of an Order and fails, within 10 days of written notice of such failure, to cure that failure or otherwise provide adequate assurance of performance, or to (iii) perform any other provision of this Order. If Buyer terminates in whole or in part for default, Buyer may acquire under terms that Buyer considers appropriate materials or services similar to those terminated. Seller shall be liable to Buyer for any excess costs for procurement of supplies or services. At the time of termination or thereafter, Buyer may at its option also require Seller to transfer title and deliver to Buyer any completed supplies, partially completed supplies, or materials, parts, tools, dies, jigs, fixtures and the like that Seller has specifically produced or acquired for the

terminated portion of this Order. Subject to Buyer's right of setoff for excess procurement costs or other damages, Buyer shall pay Seller the contract price for completed supplies delivered and accepted by Buyer. Buyer and Seller shall agree on the amount of payment for partially completed supplies, or materials delivered to Buyer at Buyer's specific direction. Buyer's rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this Order. In the event it is later determined by a court, arbitrator or other tribunal with jurisdiction that Seller was not in default, the termination shall be deemed to have been for the convenience of Buyer. Seller's exclusive remedy will be for payment as provided in subparagraph a. above.

- c. **Stop Work.** By written notice Buyer may require Seller to stop work for a period not to exceed 90 days in accordance with the clause at FAR 52.242-15 "Stop Work Order (Aug 1989)", incorporated by reference and altered to insert "Buyer" and "Buyer's Purchasing Representative" for "Government" and "Contracting Officer", and to substitute "Seller" for "Contractor."

- 13. **DISPUTES.** If Buyer's contract with its customer contains a "Disputes" clause or procedure, any claim or demand by Seller which derives or results in any way from an act or omission of Buyer's customer which is not resolved by agreement may, at Buyer's election, be submitted for resolution pursuant to the customer contract "Disputes" clause. In that event, Seller's sole remedy will be the "Disputes" procedure in Buyer's contract with its customer, and Seller's recovery is limited to the amount if any recovered from Buyer's customer on Seller's behalf. Pending resolution, Seller shall not take any another action, including but not limited to pursuit of independent litigation with respect to any claim or demand, pending final determination under Buyer's prime contract "Disputes" provision. Seller shall not be entitled to receive from Buyer any amount greater than Buyer actually receives from Buyer's customer on account of Seller's claim, less any markups and costs incurred by Buyer. All claims and disputes between Buyer and Seller not originating with acts or omissions of Buyer's customer and not settled by mutual agreement, shall be decided by binding arbitration conducted in accordance with California Code of Civil Procedure Part III, Title 9 (excluding Section 1283.05). The arbitration proceeding shall be conducted in Los Angeles County, California by a single arbitrator agreed upon by the parties or appointed pursuant to California Code of Civil Procedure Section 1281.6. This agreement to arbitrate shall be specifically enforceable under prevailing arbitration law.

Except to the extent that Federal law may apply to the interpretation of FAR and DFARS clauses incorporated herein, this contract shall be governed by and construed in accordance with the laws of the State of California.

- 14. **ASSIGNMENTS AND SUBCONTRACTING.** Seller may not assign an Order or any portion thereof without the written consent of Buyer. Seller agrees to obtain Buyer's written approval before subcontracting performance of an Order or any substantial portion thereof. Buyer's approval of any such subcontractor shall not relieve Seller from

any obligations imposed by these terms.

15. **COMPLIANCE WITH LAWS AND REGULATIONS.** Seller warrants that Seller's performance of an Order shall comply with all federal, state and local laws and regulations.
16. **TAXES.** Unless otherwise specified in writing on the face of an Order, the prices stated include all applicable state, federal and local taxes.
17. **DRAWINGS, SPECIFICATIONS, INTELLECTUAL PROPERTY AND TECHNICAL DATA.** The ideas, information, designs, drawings, specifications and any other data or business and manufacturing information supplied by Buyer shall remain Buyer's property. Such data shall be retained in confidence by Seller and shall not be disclosed to any other person or entity, and shall not be used or incorporated into any product or item that is manufactured for or supplied to anyone other than Buyer. Seller shall not use any Buyer's part number for any purpose other than performance of this Order.
18. **BUYER'S PROPERTY.** All tools, dies, jigs, patterns, equipment, material, industrial property or other items purchased, furnished, charged to or paid for by Buyer, and any replacement thereof, shall remain the property of Buyer. Such property shall be plainly marked to evidence that it is Buyer's property and shall be stored safely apart from Seller's other property. Seller shall not substitute other property for Buyer's property and shall not use such property except to fill Buyer's orders. Seller shall hold such property at its own risk and upon Buyer's written request shall return the property to Buyer at its expense in the same condition as originally received, reasonable wear and tear excepted.
19. **REMEDIES AND NON-WAIVER.** The remedies reserved to Buyer by these terms are not exclusive and shall be cumulative and in addition to any other right or remedy provided by law or equity. No waiver of a breach, or a failure to enforce any provision of an Order, shall constitute a waiver of any subsequent breach or of any other provision. If any provision of an Order is void or becomes void or unenforceable, by operation of law, all other provisions shall remain in full force and effect.
20. **ADDITIONAL GOODS GUARANTEE.** As part of the consideration for this Order, Seller agrees that it will accept future orders for additional quantities of the goods procured by this Order. If Seller plans to discontinue the sale of the goods purchased by this Order, Seller shall so notify Buyer no less than one year prior to any such discontinuance.
21. **ANTI-KICKBACK COVENANT AND PROHIBITION OF GIFTS AND GRATUITIES.** If a Government contract number appears on the face of an Order or if Seller otherwise knows or should know that an Order is in furtherance of a Federal Government contract, it is subject to the Anti-Kickback Act of 1986 (41 U.S.C. Sec. 51-58) and implementing regulations and prime contract clauses. Seller shall be strictly prohibited from providing or attempting to provide, or offering to provide, any money, fee, commission, credit, gift, gratuity, thing of value or compensation of any kind directly

or indirectly to Buyer or any of its employees or other subcontractors, for the purpose of improperly obtaining any Order from Buyer, or for rewarding favorable treatment in connection with any Order between Buyer and Seller. Seller agrees to report promptly to Buyer's Chief Executive Officer any solicitation or request for a kickback. Seller's breach of the foregoing prohibition or of the obligation to report shall be considered a material breach of this Order and any other order or contracts between Buyer and Seller.

22. **PROHIBITION OF GRATUITIES TO BUYER'S PERSONNEL.** This Order serves as notice to Seller that Buyer's personnel owe complete loyalty to Buyer and are forbidden to accept money or things of value from any supplier of goods, materials or services to Buyer, regardless whether such acceptance would constitute an act prohibited by Anti-Kickback laws and regulations. Seller for itself and its principal owners, shareholders, and officers warrants and represents that no employee of Buyer has any financial interest in Seller except such as has been disclosed in writing to Buyer's Chief Executive Officer. Further, Seller has not and will not give anything of value to any employee of Buyer, except promotional or commemorative items having a value of less than \$25, and food and refreshments served during business meetings. Breach of the foregoing warranty and covenant shall entitle Buyer, in addition to any other rights and remedies, immediately to terminate for default any and all Orders to Seller existing at the time that Buyer learns of any such breach, and regardless of when such breach occurred.
23. **CONFLICT MINERALS.** If any products delivered SSDI under this Order contain tin, gold, tantalum, or tungsten, Seller shall either:
- 1) Procure and require its sub-tier suppliers to procure tin, gold, tantalum or tungsten only from smelters identified as conflict-free smelters at www.conflictfree.com; or
 - 2) Provide a certification from each smelter which is the source of any tin, gold, tantalum or tungsten used by Seller or its sub-tier suppliers, that ores smelted by that smelter do not originate from the Democratic Republic of Congo or neighboring countries.
24. **COUNTERFEIT ELECTRONIC PARTS PRECLUSION.** Seller represents that electronic parts (as defined at DFARS 202.101) furnished pursuant to this Order were manufactured by Seller or are traceable, through Seller's records, to the original manufacturer, and are not mismarked, misidentified, or otherwise misrepresented "counterfeit electronic parts" as defined at DFARS 252.246-7007(a). This representation is for the mismarking, misidentification or misrepresentation in violation of that clause will constitute a material breach of the Order.
25. **FEDERAL GOVERNMENT CONTRACT PROVISIONS.** If the face of an Order identifies a prime contract with the United States or if Seller otherwise is advised or knows that an Order is in furtherance of a prime contract with the United States, or of a subcontract under such prime contract, the following provisions of FAR and DFARS in effect on the effective date of the Government contract are hereby incorporated by reference.
